

CHAMBER MEMBERSHIP

...What that means to you

The Cloverdale Chamber of Commerce is the leading organization dedicated to the success of business. It works to:

- Create a strong local economy which promotes sustainability
- Promotes the Community with job growth and job retention
- Provide networking and contact social interaction
- Represents the interests of business with government, and
- Provides Political Action and discussion

CLOVERDALE

GENUINELY CLOVERDALE

The Chamber is your Government Advocate and advisor focusing on political and infrastructure issues that affect businesses at the local, state and federal levels.

The Chamber's key function is creating an atmosphere in which business can prosper. The Chamber supports growth, expansion and retention of existing business and recruits new businesses. The Chamber has taken the lead in economic development for the City, and works with elected officials to promote a positive business environment in the city, county and state.

The Chamber is committed to building a sustainable community by promoting business development that allows people to live and work in Cloverdale.

You decide how best to take advantage of your Chamber membership. The more you participate, the higher the payoff will be to you and your business.
